Memorandum

For the information of the President

To

The Vice President & Hon'ble Members

No. 260/33

Dated 22nd
Received 22nd } August 1892

Subject

Land for a Police Parade Ground, in place of the existing Ground opposite the New Barracks, proposed to be made over to the Station Authority for the purpose of erecting on it a Camping and Defence Hospital

On 27th September 1880 in reply to No. 380/104 the address of the President, Cantonment Municipality - Resolved, that a portion of the vacant plot of ground fronting the Madras Railway - Goods Shed Road, and situated at the back of the Rev'd Berlein's property, (now occupied by the Rev Hoppe.) be made over to the Bangalore Cantonment Police Force for a drill ground, and on 25th October 1880 at the request of the President Dr Cox sent a plan of the ground wanted.

Nothing further has been received regarding the proposal

29/8

On the 28 October 1880 in his No 2600 the President replied, that, "he had no" "objection to the plots asked for, being used" "as a Police drill ground temporarily, on" "the condition, that I vacate the same when" "such disposed of for Building Sites."

As, in clearing up and levelling the

Ground

found I should have to spend money, I
am not disposed to do on such unsatisfactory
tenure - To, in my No 450/128 of 5th November 1880
I asked what object there was to a permanent
transfer of the ground to my Department
and in my No 469/132 dated 12 November 1880
I asked that the question might be placed
before the Commissioners, the result was, the
submission to me of the following extract of
Proceedings of the Cantonment Municipality 8/23 Sept 1879.
"That the plot of ground marked G. be granted
"to the Rev Bierbeir for the purpose of erecting
"thereon a School for the use of the Lutheran
"Christian and the remaining plots of ground
"be sold by public auction, due intimation
"of the date of sale be given to the Rev
"Bierbeir and other registered applicants.
With the rendition in 1881 Dr Carr retired
from Office, and the new Presidents views
about this vacant land in which the Commrs
fully fell in, were, "retain it as a lung
for that locality", and the idea of building
has not again come forward beyond an
impossible hope on Colonel Hill's (Honorary
Secretary Friend in need Society) part that
funds

funds might be raised among st the of the Station to admit of a new building with Cottages for the Society.

As I could not at the time, 1880, get any thing satisfactory from the Municipality, I looked elsewhere for a Parade ground, and after a Conversation, and some Correspondence with the Asst Quarter Master General, Mysore Division, Bangalore - I secured the present Site & provide the Bowring Hospital, Shifting the new Market-Road, on the following terms - dated 15th July 1881 No 1540.

"The Major General sanctions the marking" "over the Site on the understanding that should" "necessity demand, it may be resumed for" "Military purposes at any time."

I think I am right in saying that prior to the Major General's sanction, reference was made to the Head Quarters of the Army through the Quarter Master General.

As in the event of a Contagious Disease Hospital for the Station, being erected, the present Police Parade ground has been selected as the most convenient Site, it might be convenient with the Quarter Master General, Brig'r General Evans, at present in Bangalore, to have settled,

the

likelihood or otherwise of the site being
transferred from the Police Department to the
Municipality for the purpose alluded to.

I have no objection to raise to this, provided,
I am given another site, and on permanent tenure,
and I would beg that the President may be pleased
to direct that the original Police Parade Ground
(Should it turn out to be Government Ground)
be made over to me, and, in case the Municipality
give proof of purchase of the plot, it may be
urged on the Commissioners to transfer such
to this Department in place of what I resign.

Considerable levelling & is needed to this
ground, and as the weather now, is favorable
for such work, I would like to avail of it.

I would ask that I may be Compensated
by the Municipality for the expenditure in getting
the present Police Parade Ground in its present
Satisfactory Condition, to the extent of any outlay
on the new site.
